

Management Accountant

Donington, Lincolnshire, PE11 4TA

Hours: Monday to Friday, 08.00 am to 5.00 pm, 40 hours per week.

Salary: £55,000 - £60,000

George Barnsdale seeks an ambitious and driven Management Accountant to join their team. The ideal candidate will be a part or newly qualified ACCA/ACA/CIMA Accountant, looking to advance their career. Reporting to the Finance Director, you will be required to provide accurate reporting, whilst being responsible for day-to-day accounting and financial management of six businesses. The role will initially involve overhauling our systems and processes to improve efficiency and insight. This will provide the training you need to allow you to take on more responsibilities, with a view to take on the Group Accountant role, allowing the existing Finance Director to retire.

The Management Accountant plays a vital role, providing accurate reporting whilst being responsible for day-to-day accounting and financial management of six businesses. You will be immersed in the businesses to provide financial leadership and insight on businesses performance and drive profitable growth. You will also drive continuous improvement of our financial systems and policies, managing risk, creating efficiencies and meeting our regulatory and statutory obligations.

Essential Requirement

- CIMA qualified (or a suitable professional equivalent), with experience in a similar environment.
- Excellent Excel and data analysis skills.
- Proficient in Office 365 applications including Teams.
- Familiar with ERP systems, with the ability to oversee installation, and drive improvements and enhancements to reporting capabilities.
- Articulate and thorough, with the ability to manage a small team and develop their skills and knowledge.
- Team player, self-starter and capable of working on own initiative, developing ideas and influencing colleagues, with clear enthusiasm for the role.
- Demonstrate commitment to our core objectives – Engaged Staff, Customer First, Sustainable Operations, Agile and Innovative.
